This exemption program number **EX-47088** and the exemption category number **EXMT-12807** remains valid as long as there are no changes in the program. If you alter the program in any way or move the program to a new location, you must submit a new exemption application for review. You must also notify Bright from the Start if the program stops operating. This letter and the enclosed Exemption Notice must be posted in a conspicuous location for public viewing.

Also enclosed are the requirements for exempt programs for you to use as a reference to ensure your program remains in
