

REQUEST FOR PROPOSALS:

If at any point a CURCA travel grant awardee knows they will not be utilizing their grant, they must email CURCA right away so we can reallocate funds to other awardees or programs.

All reimbursements must be made in consultation with the travel office and in compliance with state law. We encourage you to check with us before making any non-refundable reservations.

The deadline for funding requests for the fall cycle is September 20, 2024 at 11:59 pm. Students who plan to attend and present at conferences after February 28, 2025 should wait until the next round of funding is announced for spring. Students may apply for up to two conferences, but the max a student can be awarded is \$500 per academic year. Please direct all queries to CURCA@ung.edu.
